ABOUT SLEEPING BUDDHA

Sleeping Buddha is een prachtige exclusieve lijn sierkussens, deze sierkussens kunnen een prachtige aanvulling zijn in elk interieur. Deze lijn bestaat uit een aantal zeer bijzondere eigentijdse en historische designs en een paar mooie uni kleuren. Alle design kussens hebben een design front en een achterzijde in een contrasterende passende uni kleur.

Wat deze lijn extra aantrekkelijk maakt zijn de verschillende formaten, elk design is verkrijgbaar in diverse maten wat het combineren heel erg gemakkelijk maakt. De formaten waarin elk kussen geleverd kan worden zijn 30x30cm , 40x40cm , 50x50cm , 70x70cm en 40x60cm.

Sleeping Buddha sierkussens onderscheiden zich door de kwaliteit, er worden louter en alleen heel goede materialen gebruikt, de sterke rits is heel mooi weggewerkt, elk model en formaat is voorzien van een paspel aan de rand wat er voor zorgt dat het kussen heel mooi in vorm blijft.

Sleeping Buddha sierkussens, een eigentijds, exclusief, kwalitatief topproduct een lust voor het oog en daardoor een absolute meerwaarde op elke bank, stoel, bed of waarop dan ook.

Sleeping Buddha, een designerkwaliteit voor een eerlijke prijs.
